Captain Dow of the barkentine Planter has not been feeling very well since his return from Lysan Island. Yesterday Dr. Brodie was summoned and he advised that the captain be taken to the Queen's Hospital. Captain Dow's many friends hope for a speedy recovery.

Sam Stone, the policeman who was with Captain Langley on a raid on a gambling house, has been discharged on the strength of a story told by a Chinaman. His place was probably wanted by one of the hungry "faithful." There was very slim evi-

PRO TEMPORE LEGISLATURE.

Weekly Meeting of the Executive and Advisory Councils.

W. C. Wilder, President of the Councils, called the weekly meeting to order at 1:30 this afternoon, with him being present: President Dole, Ministers Hatch, King, Damon and Smith; Councillors Ena, Waterhouse, Allen, McCandlers, D. B. Smith. Allen, McCandless, D. B. Smith, Bolte, Morgan, Nott and Emmeluth. Mr. McCandless pre-ented a peti-

an electric railway franchise.

Mr. D. B Smith presented a petition from the American League ask ing that a franchise be granted to the applicants for such in building

tion from J. B. Castle and others for

an electric railway.

Mr. Emmeluth moved that the Conneils consider the matter at once, which carried.

Minister Damon read the weekly financial statement. It showed receipts of \$62,490 37, including \$14.100 from sale of Government bonds. Customs yielded \$17,322 and taxes \$19,936.20. Expenditures were \$91,174.68, of which \$6,247.48 was for support of the military. The current of the military. support of the military. The current account balance is \$186,866 36.
The net indebtedness is \$3,517,645. 20. Notices of withdrawals from

the Postal Savings Bank amount to \$20,198 until the end of November.

Minister Hatch introduced a bill
to exempt articles for the Bishop Museum from duty.

The loan appropriation bill came up on recoud reading. Minister Smith moved an amendment to authorize the expenditure of money from current revenue, as

well as from the Loan Act of 1893. Mr. McCandless moved to strike out the fish market item.

Mr. Morgan said if this amendment carried he would vote against the whole bill.

Mr. McCandless thought, as there was a division of opinion about the location of the new market, the matter should be deferred.

Mr. Emmeluth could not see how any item could be struck out. He would either pass the bill or strike it out altogether, leaving the matter to the Legislature.

The amendment was lost. President Dole hoped members of he minority would not try to defeat the whole bill on account of their disappointment. A great many items in the bill were matters of importance and necessity. The improvement to the water works of Honolulu and of the roads of Hawaii were highly important.

Minister Damon, on question being called, made a few remarks on the division of opinion as to loca-

The bill passed. Minister Hatch read a letter from W. Q Gresham, Secretary of State of the United States, conveying the intimation of the agreement be-tween Great Britain and the United States on the Behring Sea seal protection matter, and asking the coucurrence of this Government in such

agreement. At 2:30 the Councils went into executive session.

TWO GERMAN WARSHIPS.

The Alexandrine Arrives from Callao The Marie Coming

Another German warship is in port. It is the Alexandrine and comes from the same port as the Arcona—Callao, Peru. The Alexandrine was twenty-two days making the passage, light winds and calms being met with all the way. She came alongside the Pacific Mail wharf, where she immediately began wharf, where she immediately began to take in coal. The vessel will take in 370 tons of coals purchased from the I. I. S. N. Co. She expects to get away in about four days for Yokohama. She is of the same build as the Arcona. The Marie, another German warship, left Callao the same time as the Alexandrine, and is expected hourly. The Alexandrine is commanded by Captain Schmidt. She carries the same number of men (255) and guns (14) as

the Arcona. The Arcona began taking in coal this morning. She will take in all 300 tous, also from the L. I. S. N. Co.'s coal pile. A fact not generally known is that there is a band on the Arcona.

CHE FA.

A che fa case occupied the attention of District Magistrate Perry all day. The defendant, a Chinaman, is alleged to have told an informer that he had bribed the police several former imparted the information to ruening and managing a che fa bank. V. V. Ashford, who appears for the defense, is making a strong fight, while Captain Andrews is even tougher in insisting on the prosecution being upheld.

John G. Mauger Editor of the Sunbeam, Seligman, Mo., who named Grover Cleveland for the Presidency in Nov., 1882, while he was Mayor of Buffalo, N. Y., is euthusi-astic in his praise of Chamberlain's Colic, Cholera and Diarrhosa Remedy. He says: "I have used it for the past five years and consider it the best preparation of the kind in the market. It is as staple as sugar and coffee in this section.
